PLANT 2 · TRAINING PROCEDURE

Training and Qualification

TR-701
Rev D

Effective	Owner	Prepared by	Approved by
2024-02-12	**Human Resources**	**A. Rossi**	**D. Whitfield**

PURPOSE

Make sure nobody carries out a procedure they have not been trained and signed off on.

SCOPE

All production, quality, maintenance and warehouse roles at Plant 2.

ROLES

ROLE	RESPONSIBILITY
Training Coordinator	Keeps the training matrix.
Line Lead	Signs off operators on the line.
Department Manager	Approves the list of required procedures for each role.

PPE

None.

TOOLS

None.

MATERIALS

None.

PROCEDURE

Rules

STEP	WHO	ACTION
1	Training Coordinator	Keep FRM-TR-01 Training Matrix current: one row per person, one column per procedure.
2	Line Lead	A new operator works with a qualified operator until signed off on FRM-TR-02 Sign-Off Sheet for each procedure in the table below.
3	Training Coordinator	When a procedure is revised, everyone trained on it is retrained within 30 days. The document owner tells the Training Coordinator on the day of issue.
4	Department Manager	Review the required procedures for each role every year.

Required procedures by role

ROLE	MUST BE TRAINED ON
Operator	SOP-101, SOP-102, SOP-104 (Line 2 only), SOP-105, WI-210, WI-211 Rev A, WI-212, WI-213, QP-303, QP-315, SP-402
Line Lead	Everything for Operator, plus QP-306
QA Technician	QP-303, QP-306, QP-308, QP-315, SP-405
Maintenance Technician	SP-402, MP-501, MP-502, WI-210, WI-213
Forklift Driver	SP-405, WH-601
Receiving Clerk	WH-601, QP-308, SP-405
